

'Calling' all Cowboy Dressage Callers ...and wannabes!

April 15th

Cowboy Dressage Test Calling Clinic!

There never seems to be enough callers available when you need one, but it can be scary to call for someone. This caller's clinic will be a good, fun, relaxed day for all of us to get more comfortable calling. Come for the morning, the afternoon, or the whole day. If you can, bring your horse and ride tests, both you and the caller get to practice. \$35, including lunch.

Chris Simpson will tutor attendees. Donna Patterson is hosting at her arena in Molalla and has some stalls available if needed.

Let's have some fun!
