

WANT TO LEARN ABOUT COWBOY DRESSAGE FOR YOU AND YOUR HORSE?

THEN THIS IS THE CLINIC FOR YOU!

Christine Simpson Clinic

March 11-12, 2023

Molalla, Oregon

So what is cowboy dressage all about, according to their website their mission is “dedicated to furthering education in horsemanship and living the partnership between horse and rider through the training of Cowboy Dressage”.

Chris Simpson has 45 years of experience showing western horses, has studied with several well-known horsemen, and is a successful trainer and clinician. She has 2 APHA champions, 10 APHA Superiors in Western Pleasure, Hunter under Saddle, Trail, and 40+ state championships. Chris loves Cowboy Dressage and how it includes all breeds, all levels, youth and even little lead-line riders.

The clinic will consist of only 8 riders so that everyone has lots of personal time with Chris.

Saturday the riders will be divided into 2 groups of 4 per group. Everyone will ride one time in the morning, and a second time in the afternoon. This day will be learning the basis of Cowboy Dressage, and how to prepare your horse and yourself for success.

Sunday the same groups will ride in the morning session as Saturday. The afternoon you will be riding a Cowboy Dressage test of your choice. This day the challenge course will be set up.

The price also includes a free simple lunch each day.
Auditors are always welcome!
